“ *Itis always difficult to accept loss of family members. It seems like yesterday that we as children had our joyful times and fights along with tears and scratches-never crossing our minds that we as adults will have tears again. “ *Dear Michael and Ronnie,
Your mom was a wonderful person who was indeed a gift to this world from God. She was the first person that we trusted to care for our children, Will and Sarah, when they were small. They loved being in your home and always felt safe there. We will hold you in our hearts and pray that you will feel the comfort and peace of knowing that your mom is with her Heavenly Father and has probably already set up day care there!

“ I must say it has been a blessing for my family just to know your mother and grandmother, or as we called her "Baba". I always enjoyed listening to her talk and often told her we should get Sara to write down her stories. And, how many children has she taught to make those beautiful eggs. WOW! Thank you for sharing her with us. I look forward to seeing her in heaven some day. Trust the Lord as he will carry you through your grief. Our prayers are with your family.

“ We are sad to hear of your mother Helen's passing. You and your family are a testimony to the woman she was. She gave her gifts to many, including the orchestra. We still have the beautiful decorated egg she made for Nancy. May God be with you, Mike and Karen, and your children, now and in the days to come.##imported-begin##Nancy and Paul Pontier##imported-end##
