“ I cannot remember a time without Helen and Ann.I will miss her so much.I remember how we used to hang out in the high school parking lot  
years ago.I will miss her so much she was such a kind person and beautiful inside and out.I know she is in heaven and as free as the wind.I will never forget her and the times we shared. I think there are a few people in this world that make it shine and I am so sad because one of those rare lights is gone.I am so sorry for your loss and will keep Helen and her family in my prayers. love

“ It seems that all of this is surreal and we still can't believe Helen is gone. When I think of her I always remember the ease with which she laughed. All of you are in our prayers and Ajay and I only wish that we could be there in person as well. Take care and know that you are in our thoughts.##imported-begin##Wendy, Ajay and Arivumani Srivastava##imported-end##

“ *Helen Ransone a bright, fun, and loving individual. A deeply devoted friend to Ann and her cousin Angela. And a HUGE animal lover.*

*In my heart I smile at the joy she brought to all of us as a friend. We had so much fun together. The trip with our CHS Marketing class to Potomac Mills, driving to a concert in Charlottesville, hanging out at her house with her pets and the many trips to Taco Bell.*

*I will miss her.##imported-begin##Kate Mercer Malheiro##imported-end##*

“ Words cannot express the deep hurt in my heart, I know you will be terribly missed, you are such a special young woman to so many people. To your Mom: Hang on to the loving memories and knowing that she knows how much you love her.

To Ann: I know that Helen is like a sister to you and how much that it hurts to lose someone that close to your heart.

Only know we love you and will miss you.

“ There are no words...only to say that I am so grateful that I have all of the fond memories of our weekend adventures, walks on the boardwalk and evenings spent on the beach, and I will cherish them always!
