“ Caroline and Hugh,
We are so sorry for the loss of your mother. We know you will miss her. Although we never met her, we shared some great "Mom" stories. Find peace in knowing that you did everything possible to make her life more comfortable and that she is finally free of pain.
Peace and Love,

*I am so sorry about your loss. I really like Henrietta and had gotten to know her more and more when delivering her mail to her. She was always so kind to me. I know her and Miss Mary (Marshall's mom) are really doing some talking. God bless you each and very one of you.
