“ *My Dearest Peggy,  
I am so sorry to hear the news about Herbie. We loved him dearly and will always remember him with thoughts of kindness, humor, and joy. You both welcomed us into your home, and for that we will always be grateful. Deanna still recalls the jelly candies she used to sneak when she thought Herbie was not looking!*

*We love you, and we will keep you close in our prayers.*

“ Hello Mrs. Sonafelt. I just wanted to let you know that you and your family are in my prayers. I remember you telling us in class about how you would keep in touch with your parents and stay by your father's bedside whenever he was ill. He was blessed to have you as a daughter as you were blessed to have him as your father. My condolences.

*I am saddened by your loss and am sorry I could not attend the services to extend my condolences personally. Tracy adored her father for all the reasons I am sure a mother adores her husband. All of you are in my thoughts and prayers.*

“ Peggy, Tracy, Jeff- and the Gregg family-  
I am so sorry I will not be able to come and be with you all at this time of the loss of a sweet loving cousin- we all have had the opportunity of spending time with- talking with , loving , joking with. I am thankful that God allowed us the years that he did.  
The trips to Texas and the one trip I was able to come along with my mother, two aunts to spend time with Peggy and Herbert -- Bless Herbert- he was the only male in the house with 5 females and was our tour guide to Williamsburg and around --that week-- I love you all-- Praying God will give your strength and guidance through this- It won't be long -- Before God calls all his children home- As we are living in the last days-- before our Christ returns...##imported-begin##Joyce Strange##imported-end##

“ *Ms. Peggy... I am so sorry to hear about your loss. About 15 years ago, I remember sitting in your class, and you were such an amazing influence in my life. I remember you talking about your loving husband, and at this time, I wish I could offer more than a few words on a page. I wish you and your family all the love and support in order to get through this difficult time. From Atlanta to Virginia, I send a big hug in return for all the love and support you gave me in my years at Western Branch High. I will keep your family in my thoughts and prayers. My deepest sympathy...*
