

## Hollie Ford Evans

September 19, 2025

On September 19, 2025, a precious soul, Hollie Ford Evans, passed away in Indiana. Her family and friends, she leaves behind, mourn her death but celebrate her life. Hollie was a tender, compassionate, and caring young woman with a smile to warm your heart. She graduated from Western Branch High School and Old Dominion University.

She was the wife of David and a loving mother to her son, Ryker. She had a gift for lifting people with words and a love of animals.

Hollie once said, with reference to her mother's passing, "I heard a quote I forgot who said it, but it's always stuck with me...." Life's greatest pain is experiencing someone who gave you the most fantastic memories, then becomes a memory."

Hollie left Virginia and moved with her family to Wyoming for several years, then moved to Indiana last year. While our hearts are heavy and grief surrounds us, the family will announce a celebration of life to honor her at a later date.

So, until we see you again, dear Hollie, in a time and space where there is no more separation, we will keep your great memories in our hearts. Rest peacefully in your mother's arms.

If you would like to celebrate Hollie, please contribute to your local Humane Society in her name.

“ So many good memories growing up! Although we werent blood relatives, we spent so much time together like cousins would. Hollie, you were so full of joy and my heart just breaks! But you are reunited with your mom and one day we will meet again.

“ Hollie was born on December 17, 1988. She was our roly poly Christmas baby, "Holly Berry." She was short and round with beautiful sparkling eyes. She was my second born grandchild and I was so proud to be her Mimi. Through my sorrow and pain of her passing, I will hold close memories of our family gatherings, watching my grandchildren grow and play together, our Nags Head vacations, and many more happy times we had through the years. I will miss her every day just as I do her mom, my daughter, Amy. They are together in peace, now. I love you, Hollie, my darling.

“ Our condolences to the family .  
Hollie and I were introduced years ago through my brother in law. Many memories together laughing and exploring Natural Bridge, camping in the rain to waking up in the mornings and walking our dogs. She always had a smile and loved to have fun. Staying up late and being silly together especially during the holidays she always made me laugh. She was a kind and gentle soul who will be greatly missed . After loosing her mom she once told me that it doesn't get easier that's just something people say but you kinda learn to push through it. So as we try to push through the pain we give thanks for allowing such a beautiful soul to have been a part of our journey. Her family (especially her little man ) will be in our prayers as you all navigate this difficult time. Hollie was an incredible person that will never be forgotten. Thank you for all the laughter and love you showed us. Spread those wings ...,RIP HOLLIE !  
PS GIVE Red & Archie a big hug for me

“ I am so saddened by Hollie's death. She and her sister both were cheerleaders at Western Branch Middle; I was their coach. Peace be with all who loved her.💕
