“ So sorry to hear of Mr Bean passing. As a young teenager when I met him he was always so kind and welcoming. The vivid memory I have is a full weekend he spent with me under my old Mustang helping me rebuild the transmission. Of course it was mostly him rebuilding with me handing him tools. May God Bless your family.

“ Harold, Jack or Jackie he was my older brother. When I was growing up he was my hero. I always thought of him as stronger, faster and more talented than anyone I knew. I will miss him and will always keep fond memories in my heart of our days together in Greensboro. I love you all always.
