

James Todd McRae

October 23, 1971 - September 28, 2005

James Todd McRae of Dock Landing Road was born October 23, 1971 and died September 28, 2005 in a local hospital.

Todd was an active member of Churchland Baptist Church where he served as a deacon, was a member of the Foundations Sunday School class, often ushered, and was on many committees. He received his Bachelor of Science degree from East Carolina University, Greenville, NC in 1994 with several honors. Following graduation, he became affiliated with Ferguson Enterprises, Inc. At the time of his death, he was Business Manager of the new HVAC Division.

He is survived by his wife, Melanie Smith McRae and two sons, James Rosser and David Patrick; his mother, Marsha Parker McRae; his father and step-mother, James Armistead and Greta McRae; his brother, Joseph Scott McRae; five step brothers and sisters; the in-law family of David and Trudy Smith; as well as a host of aunts, uncles, and cousins.

Todd was an avid sports fan and loved to play golf with his father, brother, and friends from both work and childhood. However, his happiest times were spent with his wife and "best buddies", Ross and Patrick. He will be remembered as an unselfish, easy-going, patient and caring man. Although his life was cut short, his successes will continue as he joins our Heavenly Father.

The family is most appreciative of the support given to Todd and to them by his Ferguson family, their church family, and a network of life-long friends.

A funeral service will be conducted at Churchland Baptist Church on Saturday,

October 1, at 2 p.m., by Rev. Lawrence B. Coleman and Dr. Dan Koger, followed by the interment in Meadowbrook Memorial Gardens. Visitation for friends will be from 7 to 8 p.m. Friday, September 30 at Loving Funeral Home, Churchland Chapel. Memorial donations may be made to: The Cancer Care Foundation of Tidewater, P.O. Box 3614, Norfolk, VA 23514. Designate for patient care.

“ I will always remember Todd as someone who you could truly count
on for a kind word or supportive gesture. Through some of the
most difficult times in college, Todd was able to rally the troops
together and make us all laugh to break the anxiety. The Class of 94
is missing a true friend, but as we all know Todd, Heaven gets to
reap the benefit! My thoughts and prayers are with his
family.##imported-begin##Jason Shirtz##imported-end##

“ *To Marsha/family & friends:*

*I knew Todd in college for 4 1/2 years, as he was a very special person in my life during those times. Todd was very smart and had a wonderful sense of humor. He never showed his temper in any way and liked for everyone to be at peace with themselves and each other. He had a way of calming others down and making them think things through. He loved his family and friends as he often talked of them. He had a big heart and was alot of fun and was nice to everyone he met. He touched many people in this life-time in many ways and God Bless everyone who is suffering his loss, he will always be missed and remain a special place in my heart.

“ Melanie and family,
Words do not come easy as anyone begins to deal with reality such as this. We do not fully understand the depth of this tragedy. May you take some comfort in knowing Todd was an incredible example for Ross and Patrick and they will carry on many of his precious traits. I can remember many moments during Foundations Sunday School class that Todd would quietly interject a small comment and it would stop the class with laughter. What an impact! Hold on tight to these small, happy moments. We love you and pray daily for brief moments that give you relief from the overwhelming grief.

Love,
