“ *Jim was a very honorable man and he was fun to be around. He was always cutting up and he would make you laugh. It didn't matter when you saw him, he was always the same. You couldn't ask for a better fellow. He will surely be missed by many. It was a blessing to know him.*

We love you Sharon and if you need us, we are here for you. I'm really sorry, we couldn't make it to the service.

“ *I was very pleased to meet Jim, although only within the past ten years, and instantly felt as I had known him for years! Always shared a laugh or 10 every time we met! He was a man carved from his generation; a man of honor, committed to the process, proud and caring.*

Love to those you loved and cared for, you are missed!
