“ Dear Family,

Donnie and I grew up together in the Kingdom Heights neighborhood. We were in and out of each other's homes for years. We played daily in those young years. Please know of my sympathy for all of you during this time of grief. You will be in my thoughts and prayers as you celebrate Donnie's life and grieve his death. I don't remember the last time we even saw each other but the memories are fond.

God bless you,
