“ *Jim Templeton known to me as Opa was one of the kindest, most caring people I have ever had in my life. He and Oma were two very special people to my heart, I will always love them as much, if not more than my own grandparents. They showed me and my children so much love and were a true blessing in my life. I will always cherish the memories of all the time I had with them and Love them deeply, always! It is killing me that I can't be there but know my heart is. Love to you all Gitti, Jimmy, and Jeanine*
