“ Frank and family, I am sending you wishes of comfort and hope the knowledge that your Dad is in a better place gives you peace. Ninety years is an accomplishment and I'm sure he touched kindly many others in his lifetime. You are in my prayers.

“ James Yandle was a substantial man
He had a booming voice
He enlightened me about the world
And the reasoning for his choice

He was always fair and loyal
Always putting family above
It was like his daughter told me
Nothing more important than Blood.

He had such a close knit family
But always room for more
With loving arms and dinner
Always an opened door

He served in our Armed Forces
For his service we are proud
In his jobs he won friends and respect
We extoll his virtues out loud

He had a much softer side
When a story bought a tear
And he will leave an empty place
For those who held him dear

So now is the time to pass you along
To walk by the Savior's side
Because to all of us who believe
Your spirit never died

“ *To a cousin I will always remember. I will never forget those Yandle Reunions at Mill Grove Church. You made it possible to have our families to come together and share our stories. Thank You. Let us not forget the wonderful times we had meeting at my house for meals and a time of remembering with a few of our cousins and a few friends.*

You always felt that it was important to know your ancestries. In the past you told me a lot of good memories about our grandparents who lived on a large farm in Union County, a place where you lived for a while and everyone was always welcome.

I am going to miss you and your e-mails, which kept me up on all the news of our kin.

*Love you in Christ,
Phyllis Helms, your 1st cousin*
