“ There are so many memories I have over the past 10 years. Some of the most memorable was the trip to Disney that you gave Chris and I, it was a vacation that at the time Chris and I needed but couldn't afford with all the kids. In a way it was like a honeymoon with kids for us. The kindness in your heart to make sure we were able to come and join you could never be repaid. And although Chris and I were not meant to be, I never stopped looking to you as my Mother-in-Law. Mom I love you and will miss you a lot. But it eases the pain to know that you are finally reunited with Gene, your Mother, and Pop Pop.
