“ *When Jane and Danny bought their home in Dunedin - she shared a surprise she had in the spring of the following year. Daffodils. She was excited. Such a quiet soul - I was so happy something pleased her so much. When I see these flowers - I always think of Jane. I know this must hurt all of you to the bottom of your hearts; but take care and let God slowly heal the pain. With fond memories from the Costello family. Nick, Alice, Tom and Kelly. God bless all of you.*

“ I've known Jane for 34 years. Grew up best friends with her son Nick. She is a great lady and wonderful person. My mom sends her thoughts to you as she admired Jane a lot and was her neighbor I could go on forever telling stories about Jane during the many years Nick and I were always hanging out together. She drove us to see Judas Priest in 1984 as I had won tickets and Nick and I were too young to drive. How cool is that ? God bless her soul and my best to the entire family. Nick Crissy and Danny. All the best

“ I worked with Ms Jane many many years ago at Kroger when I was in my early 20's. She was such a joy and wonderful woman to be around. She opened her home up for me when I was pregnant with my son to throw a baby shower for me when we had no where else to have one. She was always so kind hearted and was my mother's best friend. We all love her very much. Even though there's no blood relation I still always think of her as part of my family to. May you rest in peace and fly high Ms Jane.

“ We met Jane when we rented the house next door to her, we became instant friends, she came over for dinner. We helped her when she needed help. When we moved to bought our house we kept in contact and when we would go to Pittsburgh I would buy her a Gnome for the yard. I know she loved them and we tried to find different ones for her. She was a fighter and we will miss her a lot. If there is anything we can do for you please feel free to call us.
