“ Dear Linda, Jan, Ronnie and families, We were sorry to hear of your Mom's passing. We enjoyed all those years of working with Jean. She was a smart, energetic, loyal, fair and kind lady and taught us so much about medicine and life. She always spoke fondly of her family and loved everyone of you very much. She led a good Christian life and made the most of her years on this earth. You are fortunate to have had such a wonderful mother. Take care of yourselves and God bless you, Bob and Debbie Baker##imported-begin##Dr and Mrs Robert E Baker##imported-end##

“ It is certainly never easy to say good bye, but at least you have the comfort of know that Jean is in a better place- not suffering at all. I am so sorry for the loss of your mom. She was a special lady and always talked very highly of her children and grandchildren. She attended the cardiac rehab program at Maryview Medical Center and that is how we got acquainted. My thoughts and prayers are with you as you go through this difficult time.##imported-begin##Brenda Alexander##imported-end##

We first started knowing her through Eastern Star. Then. we were
members at Aldersgate United Methodist Church. After I retired, she
encouraged me to become a part
of the AARP Volunteer Program helping Senior Citizens with their
Federal Income Tax Forms.
Sorry we can't attend the funeral.
