“ I'm so glad we got to spend the day with you both when we were up in VA. Was it already more than a year ago? Time goes by too quickly.

I'm really glad that Mackenzie had a chance to spend time with Aunt Jeannie. She was such a warm, caring person. Always with a smile, a kind word, and a hug, ready to help wherever she saw a need.

Much to my embarrassment, we still have the raspberry that you gave us from your yard to plant at home in Georgia. I don't know if it is still good for planting, but we will give it a try. Also, Mackenzie still has/uses the princess coloring set that you gave her when we were there last year. We tried taking your advice and coloring the lines first and then coloring inside those lines. Sometimes it works...most times though, she is 5 and does it her way.

Mackenzie and I plan to be there for the services, Drew is unable to leave though. You are in our thoughts, hearts, and prayers.

Love and hugs,

Sarah, Drew, and Mackenzie

“ Jeannie came into our family with a smile and warmth that never ended. Her generosity was only matched by her desire to please. She made everyone happier when she was present. We miss her already

I am sorry that being in Holland makes it difficult to be there in person.
