“ John and I worked together in several Chrysalis weekends for youth. It was always fun to see how the youth embraced him and respected that he was there for them. John was always plain and straight with the truth of the gospel and always offered the plan of salvation. John preached at Good Hope UMC for me many times when I was away and even as he was getting older and more feeble the congregation loved him and appreciated his sincere and loving ministry. John was a personal friend and I especially appreciated his ministry of prayer to people and his emphasis that a life of faith is also a life of prayer. I will miss my friend and extend my love and prayers on behalf of myself, my family, and the Good Hope congregation to the family of this great man of God!!
