“ My Pop was the best Grandfather a kid could have growing up. He was always there for me and taught us grandkids very many things about life. If you ever got to meet him, then consider yourself lucky, because this man was one of the kindest people in the whole world. There won't ever be anyone else like my Pop. He was a good man to my Granny and my mom. I'll remember every memory I ever had with him. He will be missed very much, and that's because he was an amazing person with the biggest heart you can imagine. I love you Pop, with all my heart, bigger than the sky. <3##imported-begin##Miss Leigh##imported-end##

“ It's an honor to have had Uncle Johnny in my life, he helped my mother and grandparents raise my brother and me. He was one of the most generous of heart men that I know and I'm proud to be his niece.##imported-begin##Loni Albertson##imported-end##

“ John was a very special man. He loved life and enjoyed each day. He was always telling his wife "I LUV YOU" and I know he really did. I was so glad I got to see him in early march and spend some time with them. He was a happy man always laughing and joking. I will miss him. The critters will miss him too. But mostly he will be missed by his loving wife Pat. God could not have made a better match for each other. John, if you are looking down please put in a good word for me. I miss you Galbraith.
