“ My prayers are with you at this time. John was a inspiration to me growing up at Bide-a-wee. I would caddy for him when he played golf. He would always treat me with respect and always was there to help me when I needed anything. I lost touch with him once I left the golf course and miss that I could have kept in touch. I will never forget him and will truly miss him.##imported-begin##Richard Ayers##imported-end##
