“ Dear family of John Twaddle ~  
I have prayed for your father and grandfather for several years following an auto accident at Cedar Lane and High Street. When I hadn't seen his truck for several months I knew something must be wrong. I will continue to pray for his soul, and I will also pray for your family. Take good care of each other and may God bless you all.##imported-begin##Margaret Walker##imported-end##

“ Kathy,  
My heart goes out to you and your family. I have lifted you all up to the Lord in prayer and asked that you be comforted through the Holy Spirit. Times such as these bring grief that is hard to carry in our hearts and they fill to the point of breaking. But the Lord will carry you through this time if you turn heart to to him and ask for comfort and understanding. He Loves you and understands all, He will provide a resting place for you in Him.  
May God Bless your family,
