“ I remember when Johnny was dating my sister, he would let me tag along. He would go out of his way to show me such a great time and he never thought twice when I asked if I could go to. I loved riding in his convertible and all the great times we shared together. He is forever loved by me. I also loved all the wonderful times visiting his parents. They were always so sweet to me and I will always keep them close to my heart. Heaven just received a special ange. Love you Johnny always

“ Johnny was a brother in law, but most of all he was a member of our family. He was the most kind hearted person and his loving way would only made others love him more. I was heartbroken to hear of his passing and though I understand the covid situation, i am sadden to know the services were private while many would have loved to pay their respects with losing such a wonderful person. He was dedicated to the loving care of his Mother and Father and was a wonderful son, friend and special brother in law. He will forever be loved and in our thoughts. Johnny knew he was forever a part of my family. Rest in peace Johnny as you reunite with your lovings parents. Love always BEn and Diane Franklin

“ To Yolanda and Family, and Curtis, Eddie’s best friend:

I thought of Eddie as one of my dearest friends and like a brother. I so much enjoyed our times together and will cherish them forever. We shared lots of laughter and love for one another. Eddie was a kind, caring, loving, compassionate and gentle soul to all. We referred to Eddie as our Family historian. He possessed a sharp memory for comical events. My only regret is not being able to spend more time with him and reminisce and laugh again. Through all his struggles, he tried to remain positive but listened to God calling him home in the end.

Rest In Peace Dear Eddie. You will be sorely missed and in my heart forever. What a glorious Reunion you will have and don't forget, Diamond will meet you at the Rainbow Bridge.

*Love,
Paige (cousin)*

“ Yolanda and family,

I was so sorry to read this obituary this morning. Having just lost my brother some 3 months ago, I know the pain and hurt you feel at this time. It is made worse by the holidays ahead.

We share many memories of younger days in the Church there in Portsmouth with Eddie and your sweet family. We were all truly a family then. May God bless you with strength and remembrance of good times and precious moments you had together with your brother.

Keep a song of love and comfort in your heart in the days ahead.

With love,

Linda Sterling

“ *All of us that knew Eddie were blessed. Eddie had a knack for remembering the past and telling the funniest stories about growing up. Our family spent many vacations with his family growing up and we only got to see the ocean when we vacationed at their home. I was so glad when we finally talked Eddie in to coming to our family reunion. We talked many times about God. Eddie was a believer . I get real joy in my heart knowing that he is with his parents, my aunt and uncle. Eddie took many pictures in his life time but none compares to the beauty he sees now! We will see each other again.*
Love, Sandy
