“ *I worked with Jon and we went to Japan together. He is a hard worker in both occupation and in life. He put 100% into everything he put his mind to. I will miss you and your sense of humor. Rest In Peace Jon with the bright smile. Always, Zuleika “May” Aldegon*

“ I had the privilege of being Jonathan's babysitter for the first 9 months of his life. We developed such a close bond that I felt like he was my own. As a little kid, he said some of the funniest things (like, "Aunt T. get that hair off your arm, it itches"). He loved Grandma Gale's "cake-cake" so much that we could always count on her baking a birthday cake for Jonathan every year. I think the funniest story I heard was about Jonathan, Paw Paw James White and some of the guys going fishing. Paw Paw loved to fish and he'd sit for hours with little to show. This particular day Paw Paw cast his line in the water and immediately he felt a big tug. O boy he had finally hooked the big one! As he excitedly started reeling in his line Jonathan said, "Wait a minute Paw Paw, you got my shirt"! Jonathan was a bright ray of sunshine & we looked forward to seeing him when he made his way from Chesapeake to Graham. He had the sweetest, most loving and giving spirit. He had a tender heart made of gold. Our hearts are broken and we feel like life will never be the same . It's been said, when someone you love becomes a memory, the memory becomes a treasure. Jonathan is certainly a treasure I'll add to my treasure chest and he'll rest right beside my dad.

“ *My prayers to Jonathan's family. I've been at a loss, we spoke recently on the phone . He was a great friend he was the type of person that would give his shirt of his back. We spent a lot of time together at work and went to lunch almost every day. I can't believe he's gone miss him already.*

“ Dear Dana and Randy,
Since the first moment I heard about your loss, I could not get Jonathan and especially you, Dear Dana, out of my mind... This is very heartbreaking and I know he was the luckiest kid to have you as a mother. His soon departure from this world will not be easy to process but I am sure he is in very good hands where he is now... It is always so hard for me to say anything, and I truly don't think there is any good word for this...
The gap he created will be irreplaceable for many of us, especially for his mother...
I can't imagine the pain you are going through and I want you to know I am thinking about you and Jonathan very much and keep praying.
Be strong Dear Dana, that's what Jonathan would like you to do...

“ I'll always remember John as a man who'd do anything for anyone. His work ethic never went unnoticed. He never wanted to sit around when work needed to be done. We've taking many long rides around base when work was slow just to pass time till we got off. I'm glad I had the pleasure to have met such a great man. Rest easy bro, you will truly be missed by many. I'll be keeping the family in my thoughts and prayers through these troubling times.

“ *Gary, Amy, Adam, Sara,*

Prayers are being lifted for you and Jonathan's extended family. Prayers for strength, peace, hope, comfort, and joy. As parents who have walked this path before you, we know the road will not be easily traveled and you will often become tired and weary; remember that this is when the Lord carries you to relieve your burdens and give comfort to your body, mind and soul. Our journey, as difficult as it has been, has reminded us that God's Grace truly is sufficient! His Love encompasses us every moment of every day. His Comfort is like no other, because we have been reminded that He truly understands the pain a parent feels when their child passes. We love you and are hurting with you.

“ The first time I met jonathon was at the shipyard. We were both Hvac techs and ended up working on the same boat. He just had an amazing sense of humor. No matter what kind of day you were having jonathon just had the gift of making it better. I'm so glad I got the opportunity to get to know him. He was just a wonderful person all the way around. Love and miss you buddy.
