“ To my beloved sister Frances and my beloved nieces and nephew, Michelle, Melinda, and Cliff, my heart and soul is with all of you. Joe has been in my life longer than he was not. I will miss his laugh when you could get him started. He was and is my brother in many ways, especially both of us being family and Veterans. Joe, I will miss you terribly and now who am I going to have that cigarette with? You loved your family immensely and served your country with honor. May you be always be safe now and rest in eternal peace. I love you.

“ *Dennis and his family,*

I'm so sorry to hear of Joe's passing. It's been 33 years ago, but he was such a good brother to you. I'll always remember him being there when you needed him. I know what it's like to loose someone you love, I lost my dad almost 2 years ago but he is still with me everyday. So remember the good times and he will always be with you. Tell your mom I will be thinking about her. I'll be thinking of you all during these hard times. Vivian###imported-begin##Vivian Forehand Cullins###imported-end##
