“ *Al, you will be missed so much. We will miss those late night calls that always ended with "I love you". We know how much you missed Martha but now you are together. As sad as we are, we can rejoice in that. There is no one else like you, Al and we have been so fortunate to have a friend like you and Martha and the boys have been to us in our life.*

“ *Al, I've known you since I was a little girl, you were a good friend and a good neighbor. I will miss the stories and jokes you shared with me. You were there to comfort me in my time of sorrow, and I loved you for that. When ever I was down and feeling bad, you could always get me laughing and tell me things to make me feel better. By the grace of God, you are whole again and you and Martha are together once again. You will be sorely missed. My thoughts and prayers are with you and your family.##imported-begin##Debbie Rabel##imported-end##*
