“ *I'm so sorry to learn of Joe's passing. Joe and I worked together for
many years at Maryview and I feel fortunate to have known him. At
work he always handled situations professionally and calmly but
what I think of most when I think of Joe is he was a devoted family
man. I never saw Joe when he didn't mention Holly and/or his
children. He was a proud dad and granddad. Holly and family, I'm so
sorry for your loss and will keep you in prayer during this difficult
time.*

“ Holly, our hearts are heavy this morning. Didn't seem real until we read the paper. Joe was one of the best people we know. His charitable contributions seemed endless. God got a good man.

We hope you will understand why we are not at the Memorial service. However, call me anytime for a bottle of wine and I will deliver it and raise a glass to a super guy!

My deepest sympathy to all of the Family. Joe was a very good friend to my Dad, Haywood Atkins. He even spoke at Daddy's funeral, telling a funny story about them. Joe was one of the nicest men I have known and would do anything to help you. Have some great memories of stories told by him and Daddy. I am sure he will be missed by many people especially his Family.

Terry and I send our deepest sympathy to Joe's family. Like my sister said above, Joe was a great friend of my Dad. Joe was definitely one of the nicest people I have ever met. I was reminded this morning about when Joe played Santa at the Khedive Temple which my dad was also a member. My grandson was very young & when Joe saw him "Santa" called him over by a nickname only my Dad ever called him. That got some wide eyes from my grandson for sure. I know Joe will be missed by many. My thoughts and prayers go out for his family & the close friends he leaves behind. 🙏🙏🙏
