“ I am heartbroken about Joseph James, I know your pain is deep. In time life will go on, Joseph James however will be in your hearts and minds forever. Every major milestone, you will remember him with a smile, as you think of what could have been. The pain will lessen in time and be replaced by your love, the love you had knowing him so briefly. Our prayers are with you in this moment of pain. James you share this connection with your mom & dad. Erin you have Helga to talk to about certain feelings, as she knows exactly what your going through. You both have large families who care so much. God bless both of you and little Hailey. Our prayers are with you always & forever. Love Aunt Marj & Uncle JR...##imported-begin##Earl & Marjorie Scott##imported-end##
