“ Ralph & Faye,
I am so sorry to hear about your Mom. I worked with her at the Training School in 1976 & 1977 as a senior in high school. I was just thinking about her about a week ago, wondering if she was still with us or had passed away as I knew she was getting up in age when she moved away. I had some great times with her at work, she befriended me right away and we became great pals. She was a crazy lady to say the least, had a great sense of humor and always had a joke to tell. even in mixed company believe it or not She was great fun and I am so sorry to hear the sad news. I will always remember affectionately the person I came to know as Jo Mo!###imported-begin###Mike Wheeler###imported-end##
