“ Holly,
I was very sorry to hear of your Mothers passing. I had the pleasure of working with both of your parents during my association with Ashton Lewis at Bill Lewis Chevrolet. I have many pleasant memories of both of them. They were helpful to my husband and I when we purchase property many years ago. I hope the love of your many friends and family will help you during the difficult days ahead. I know many will share fun stories and special memories that will comfort you. Again, my love and prayers are with you at this difficult time. Love Sharon##imported-begin##SHARON LAWRENCE##imported-end##

“ Dear Jeanne, Sandy and Families,

I will always remember your mom as one of the "coolest" moms! Even though I think she was one of the first people I ever knew who had "white" american cheese and tried to make me eat oatmeal!

She was a special person and always took time to say hello to me and ask about my family whenever I ran into to her.

I know you will miss her.##imported-begin##Kathy Barnes Paton##imported-end##
