“ *LJ, Brandon and Chuck,*

*Words cannot begin to express how deeply sorry I am to hear about the passing of your mother, friend, grandmother and mother-in-law. LJ I will NEVER forget that you and your mom were the second family to donate money to Quentin when he went to Hawaii. She did not know him from Adam but helped us get him there. And I want you to know that I am FOREVER grateful. I pray now that God will grant you the peace and comfort to get you through this period of bereavement. Love you to life!##imported-begin##Sandra Moore##imported-end##*

“ *This was my precious Aunt "Neno", my late Moms only sister. I rejoice in the fact that they are together in Heaven and weep knowing that they are truly gone from this Earth! I love them both terribly and am not suprised that they passed so close together- 2 months and 28 days. This is a true testament that distance does not dim love and family is forever! Please pray for Micki and Laura my dear cousins and all our family.##imported-begin##Anita Baker Tolliver##imported-end##*

“ *If tears could build a stair way  
and memories a lane,  
I would walk right up to Heaven  
and bring you back again.*

*No farewell words were spoken,  
No time to say “Goodbye”;  
You were gone before I knew it,  
and only God knows why.*

*My heart still aches with sadness,  
and secret tears still flow.  
What it meant to love you-  
No one can ever know.*

*But now I know you want me  
to mourn for you no more.  
To remember all the happy times,  
life still has much in store.*

*Since you’re never be forgotten,  
I pledge to you today-  
A hollowed place within my heart  
is where you’re always stay.##imported-begin##Carmella
