“ Judy and I have been friends for over 30 years. I will miss my friend dearly and our chats. She is now one of gods angels. She always loved angels and collected them for her Christmas tree that was only angels. Fly high sweet friend 💔 until we meet again we will a lot to chat about ☐

“ My family lived just two houses down the street and my mom still lives there and mentioned how they would often chat as she passed on her daily walks through the neighborhood and Judy would bring her vegetables in the summer. I remember all the team photos they took for me, my sister, and brother when we were kids. I remember growing up in the neighborhood with her youngest son and mowing their lawn. Judy was such a kind person, our thoughts and prayers are with you and your family.

“ *I just remember all the fun we had on the soccer field. Two women coaching a mens team and winning the tournament. Loved you and family.*
