“ Ricks family,
I am so sorry to hear about the loss of your mother. She was a wonderful person and I know how much she meant to you. I remember the look on her face during Mike's 21st birthday when she invited The House down to her home what was she thinking? and we fell out of the Love bus laughing at the picture of a 3 year old Mike at the end of driveway. Ear to ear doesn't begin to appropriately describe her grin. She made us feel at home and forget that some of us were far away from home at that time in our lives. I share in your pain.##imported-begin##Jason Ward##imported-end##

“ Margaret Ann and David,

Let me start with.... I am so sorry for your loss. From experience, I know those words never fill the hole in your heart or holds back the tears, but in time the hole will mend and the tears will stop as you remember the good memories, strength and values that your mother worked so hard to give give you... I promise you that. Hold fast to those and let the pain ease away. May God bless you in the days and months ahead and may you find peace and strength to sustain you.

“ We would like to express our profound sorrow for the passing of a
beautiful person! Although we had known the Ricks' for a somewhat
brief period, we can quite honestly say that the selfish side of us
only wishes we had known her better- but, we can only imagine
what a truly wonderful wife, mother, grandmother and friend she has
been for so many! Surely the legacy of such a genuinely nice lady is
left in those who were so close to her. Our thoughts and prayers go
out to her family in these most difficult of times. We hope you all find
solace in the fact you enjoyed her reassuring smile all these years.

“ *Doug, Margaret Ann, Michael, Linda, Jeanie, Myrtle and Margaret*

This is truly a great loss to the family and friends of Judy's. Judy touched so many lives in such a positive way. I had the Extra Special Privilege of having Judy as my sister-in-law. Judy has left me personally with the understanding that: Her illness could not cripple her love, it could not shatter hope, it could not corrode faith, it could not destroy peace of mind, it could not kill friendship, it could not suppress loving memories, it could not steal eternal life and it could not conquer the spirit..... Judy will be in my heart an memory foever. God bless each of you.
