“ Marie, Yolonda and Eddie,

Dad and I just found out about Chappell's passing...so sorry we missed the opportunity to send flowers for the funeral.

What a great and Godly man Mr. Chappell was!!! Words can't describe just how much his and your friendship has meant to us through the years. Every single time Dad needed anything at all with the sale of his house, the yard and support in general, Chappell and you were always there. We will miss his friendly, often kidding presence, as well as his ever-present picture ministry.

We love you all dearly, and pray that God will give you the peace and comfort that only He can give during these difficult days.

*Love and hugs,

“ Marie, Yolanda, and Eddie,

Our deepest sympathy to you and all of the family. We remember Brother Chappell as a man who was kind and gentle and always wore a smile. He once gave us a video that included pictures from our wedding day. It is the only one we have of that special day. He was always ready with his camera to capture our events at church and even though we ran to hide at times, we have those memories on film because of him. They are so precious to all of us who attended the Portsmouth Church of Christ so many years ago. Visiting at his home was always a treat. May his legacy live on through his children and grands. Our prayers and thoughts are with you as you go through the sad days ahead. Our love to you always##imported-begin##Richard and Linda Sterling##imported-end##

“ Marie, Yolonda, Eddie,
I am so sorry to see that Chappell has passed; There are no words that can express my heart-felt sympathy. Life has kept us apart after the high school years, but the memories of those early years are so very special and will never be forgotten. Chappell always knew how to nurture my interest in mechanics and I so enjoyed the chance to help and learn. You were all so very supportive when I lost my father at such an early age and those times I spent with your family will never be forgotten. My prayers and thoughts will be with you in the days ahead.##imported-begin##Bill Schumm##imported-end##

“ *Mr. Chappell and his dear family have been our friends for 40 plus years. He spent his life showing his concern for those that he knew, he shared his talents, time and resources expressing his Christian love for all that were blessed by knowing him. He was always available to the members of the small credit union that meant so much to him. He was willing to help with car problems, be the photographer at an event, or visit the sick. We know his passing is s great loss to his loving family and our hearts go out to you. Thank you for sharing this special man with us.##imported-begin##Ruby & Rudy Stancill##imported-end##*
