“ *Leslie, I was very fond of your mom. She had such a spark of energy and didn't seem to let anything get in her way when pursuing anything new, particularly something healthy. We were there when she and Frank were married...what a sweet man. She was often in our home, visiting or showing me a new product. I was not able to keep in touch when she moved in with you...didn't know your last name. I have thought of her often and hope her last years were happy.*

In sympathy
