“ I knew Kathy through my boys, who have been friends with Zac for many years. I remember babysitting for her when she would take off for hours and show up saying, "Sorry it took me so long but I had to go to the hospital. It's no big deal. I feel better now." I always admired her positive and perky nature. We will miss her, but I believe she lives on.##imported-begin##Joan Smith##imported-end##
