“ Ken was a special friend to me. We met back in 2009 when we were both going to Cardio-Therapy at Maryview. He and Denise meant so much to Ted and me. They both have done so many kind things for us----like leaving diabetic goodies and Ted's favorite fruitcake at our door. I enjoyed many happy phone calls with Ken and was sorry he had his many health problems. He will be so missed.....May he rest now in peace.

Ken was the best. He knew how to read people and enjoyed his work. I thought of him often when visiting Smithfield where my son and daughter in law live with their family.
