“ My heartfelt condolences to the Overton family. I will always remember Ken's generous friendship and care given to my father, Bob Mauck, a close neighbor in Eastover. Only with Ken's help over quite a few years was my father able to remain in his home until he died at the age of 93. He stopped by just about everyday. and I was glad to be part of the good-humored. joking around between them when I visited. My sister, Jean Mauck, and I both thought the world of Ken and regret that we lost touch with him after our father died. We grieve with your family and will cherish his memory.

“ Uncle Kennon was always kind to me and my siblings, his neices and nephew! He came when we lost our brother A. J. He never failed to call our mother, his sister, on her birthday. He frequently told about his kindness to his neighbors and how he tried to help them all he could. I will always remember his smile. He had grendpa's smile (his dad). P.I.P. Uncle Kennon! We love you!

Rest in the sweetest of peace Uncle Kennon. Thank you for always checking in on me and my family after my moms (your sisters) passing. Mom loved you so much, now you are together, at peace.

I will never forget you.
