

Kenneth Carlisle

March 18, 2025

Kenneth “Kenny” Carlisle, born November 25, 1950, in Portsmouth, Virginia, passed away on March 18, 2025, due to the lasting effects of his service in the Vietnam War. Kenny answered the call to serve his country with honor, first in the United States Army during the war and later in the Naval Reserves. His dedication to duty and country never wavered, and neither did the kindness that defined his life.

Kenny was a good man—one of the best—and to those who knew and loved him, he was simply the BEST Uncle ever. He carried himself with quiet strength, always ready with a warm smile, a helping hand, or a story that could make you laugh just when you needed it most.

He is predeceased by his parents, Clarence and Frances Carlisle, as well as his beloved sisters, Georgia, Delores, and Linda. With Kenny’s passing, the last of his generation in the family is now at rest, but his legacy of love and kindness lives on.

He leaves behind many family members who will forever cherish the memories of his unwavering generosity, gentle spirit, and steadfast love. Though our hearts are heavy, we take comfort in knowing that Kenny is at peace, reunited with his family, and free from pain.

A funeral service will be held at Albert G. Horton Veteran Cemetery on Thursday, May 1, 2025 at 3:00PM with military honors.

Rest easy, Uncle Kenny. You will never be forgotten.

“ My Uncle Kenny

From the time I was a little girl, Uncle Kenny was a bright and constant light in my life. Even when he was far away, stationed in Germany with the Army, he never let distance come between us. I still remember the excitement of receiving packages from him—filled with gifts, surprises, and little reminders that I was always in his thoughts. That’s just the kind of man he was: thoughtful, loving, and deeply kind.

Uncle Kenny had a way of making everyone feel safe and cared for. He was always checking in, making sure everyone was okay, making sure we knew we were loved. His heart was huge, and his generosity and compassion knew no limits.

Some of my favorite memories are the wild adventures he took us on—the fun places, the laughter, the stories we’d tell for years after. He had a knack for turning ordinary days into extraordinary ones, and he brought so much joy wherever he went.

I loved Uncle Kenny with all my heart. His passing leaves a hole in my soul that will never be filled. I will mourn this loss for the rest of my days, but I will also carry his love, his spirit, and the beautiful memories we shared together always.

Rest in peace, Uncle Kenny. You were truly one of a kind.
