“ *We were so sorry to hear of Ken's passing. Keith and I lived across the street from Ken and Judy and they were one of the first neighbors to welcome us to the court. Take comfort in knowing that he is now with our Lord Jesus Christ and his beloved wife Judy.##imported-begin##Keith & Lisa Harrell##imported-end##*

“ Louise, I'm so sorry I cannot make the service. What a shock for you. I am so sorry. I hope you are doing okay; I haven't talked with you since Dad died, and still having a hard time dealing with Carolyn's death so I totally understand what you might be feeling. Please take care. I sure remember the days at your mother's playing on the old upright piano and the Easter Egg Hunts and picnics at City Park. All the aunts and cousins, what a time we had. Time has passed much too quickly. I will keep you in my prayers. Love you,
