You lived a long life on this earth. You loved and were loved by others. You believed in your risen Savior, Jesus Christ, and now you will enjoy eternity with Him in heaven completely healed. You will be missed so much. Enjoy your reward in heaven. We will see you again!

Kenny there are so many beautiful memories I have of our times together. Times growing up as your "little sister" and enjoying the music of life! You taught me so much about loving and being loved. Knowing that you had great peace with God and that you had made Jesus your Lord and Savior is such comfort to me. I am so grateful to you for allowing me to care for you in the most difficult part of your journey, you filled my life with purpose. Thinking constantly of how you would scoop my hand in yours and gently kiss it then tell me over and over how thankful you were that I was there with you. I must finish my journey without you here but I will see you again.
