“ *It is always hard when losing a loved one because we miss them very much. For that reason, we can be encouraged by reflecting on the promises that God has given us through His word the Bible, cocerning the hope of seeing our love ones again. I hope that you find comfort in reading these scriptures. John 11:11-44; John 5:21,28,29 and Rev. 21:4. My prayers are truly with your family.##imported-begin##RONALD O. HILL##imported-end##*
