“ Even though I haven't kept in touch much over the years like I should have, I loved Kerri like a sister. She accepted me as her cousin when we moved to Virginia but chose me as a friend and we spent a lot of time together. I will cherish every childhood memory and am thankful that we got to spend time together. I will miss her greatly but I am glad that she is no longer suffering and I will think of her as the young, healthy girl that I enjoyed growing up with. I'll miss you Kerri.

Love always,

Becky
