“ God truly bestowed a wonderful blessing upon me when HE granted me the opportunity to become acquainted with Ms. Crew.

Our interactions quickly blossomed into a beautiful and true friendship. It's not too often that one can sit and converse with someone about any and everything, leaving both parties' hearts filled with complete joy and longing for the next conversation. I am honored to say that Ms. Crew and I received such a blessing!

Ms. Crew would often tell me that she didn't know what she did to deserve me, when in fact I felt the same way. After each visit, we would always say, "I love you." It melted my heart as I knew it was sincere. She affectionately called me her "daughter" and I called her "my lady".

For selfish reasons, I feel a tremendous amount of pain of not being able to physically see Ms. Crew. However, I find comfort in KNOWING that she is resting and at peace. I will cherish the extraordinary memories that were made during a short amount of time. I will always remember our conversations, laughter, her beautiful smile, and gentle, sweet spirit.

Family, I pray for peace to bring you comfort, courage to face the days ahead, and loving memories to forever hold in your hearts.

*With Love,
Catina Genwright*
