“ Dear Janet:

Martha and I were saddened to hear of Less's passing. We knew through Rachel that he was having some issues with his health...did not know it was serious. Sixty three years is a long time to be married...it is a tribute to the two of you to have had a marriage that lasted that long. In April Martha and I will have been married for 59 years. We are both sorry for your loss. You are blessed to have a family around you at this time.

Regards, Martha and Lin
