“ Aunt Lettie was always the first person of the season to have a suntan. I remember her tanning in her yard as early as March. Of course, I would be out there with her. I couldn't wait for it to warm up so the popsicle man would come around ringing his bell. Aunt Letter always bought me a yellow or blue popsicle. Rest in peace. I will miss you.##imported-begin##karen vick critcher and family##imported-end##
