“ Although we didn't get to see all of you all very much, I have such fond memories of Uncle Lewis, and all my Virginia family. I think often of the fun we all had in Gatlinburg several years ago. My memories of Uncle Lewis was always a "prankster" and a smile on his face, and made sure you had one on yours. You are all in our prayers. Love to all. Kathi & Ed Bartelme & boys

He was a great man who loved God and his family so much. His  
happy nature and sense of humor was passed on to those he left  
behind. He will be missed by so many for his kindness and caring

“ Donna, Lori and Leigh Anne, I am so sorry to hear Big Lew is gone. I'll always have fond memories and lots of smiles from our times together. We spent a lot of time playing and singing bluegrass. I'm glad to know Lewis has been borne away by the angel band "on snowy wings to his eternal home". Prayers for you and you family.

“ I considered Mr. Kidd " family", and I am deeply saddened by his passing. He lived a faithful Christian life and always could make those around him smile. He gave me my first job at Robbie's Home Center, and showed me that Christian men, could be successful in the business world without compromising their beliefs. I grew up close to "Little Lew", and continued my affection for his father, Mr. Kidd, as an adult. I, like I know many others, am going to look forward to seeing him again one day in Heaven.

*Donna, Lori and Leigh Anne, I am so sorry to hear of your loss of Big Lew. He was my boyfriend just like Little Lew. What a wonderful Christian man that shared his walk with the Lord with everyone he met. I remember taking him a six pack of cokes when he was in NMCP. I will never forget him and all of his stories. Jim would always start a conversation with him at the car shows where he sold his signs and license plates. He will surely be missed by all, but I know that Lori and Leigh Anne will continue to carry along that sense of humor that Big Lew and Little Lew had, forever. Donna, you are the sweetest lady and you have put up with a lot of joking and laughter in your family for years...Just know that it will still go on here on earth and in heaven now. Love all of you so much...God bless you and keeping you in my prayers.*

*Donna, Lori and Leigh Anne,*

*We are very sorry to hear of the loss of Lewis. He was an awesome christian man that lived his life to serve and love our Lord and I will always be grateful and indebted to the example that he demonstrated towards our family. He always had a great sence of humor no matter what he was going through in his own life. It was a pleasure to serve with him at Nansemond River Baptist Chuch on the Men's Ministry Committee and to be his friend and brother in Christ.*

*Our thoughts and prayers go out to each of you and your family during this difficult time.*

*May God bless you,*
