“ Well my friend, it's been 5 years ago today that you left us. Sometimes, it seems like an eternity and, then some days it seems like yesterday. I just wanted you to know that I still think of you often. There are still times that I reach for the phone to call you. You will never be forgotten. I love and miss you.##imported-begin##Lynda Pritchard##imported-end##

“ Mom, I REALLY wish you were here right now. I could use advice everyday. I do believe you would be proud of how MUCH I've matured. I still, too, find myself picking up the phone to call. I would give anything, right now, to hear your voice. I miss you dearly and love you bunches!###imported-begin##Ashley###imported-end##

“ Mom~ It's been three years and boy do we wish you were here to enjoy and also struggle through the daily trivial things we call life.

We miss you still and constantly think of you when we find ourselves in the 'what would Mom think' situations. Thank goodness we all listened to your advice and gained from your knowledge and how to throw a mean curve ball.

“ Well, Dee, it's been two years now and somedays it feels like a lifetime and others, only yesterday. I sure do miss you, especially where there is a band playing. I sang "Crazy" for you one night and was wishing you were on the stage with me. The things I miss the most are your laugh and your advice. And, I still find myself picking up the phone to call you. I listen to your cd's while I'm driving, but, still cannot finish listening to one without crying. I will always cherish our friendship and those "precious memories". And, so, my friend, I just wanted you to know you are still a big part of my life and I will never forget you. So, until we meet again.....

Love,

“ We thought of you with love today,
But this is nothing new,
We thought of you yesterday and the days before that too.
We think of you in silence and
often speak your name.
All we have now are our memories,
and your picture in a frame.
It broke our hearts to lose you,
But you didn't go alone.
A part of us went with you
The day God took you home.##imported-begin##LYNDA

“ *The bitterest tears shed over graves are for words left unsaid and deeds left undone.*

~Harriet Beecher Stowe

"Come with me"

Author: Anonymous

*God saw she was getting tired
And a cure was not to be.
So he put his arms around her
And whispered, "Come with me."*

*With tearful eyes we watched her suffer
And saw her fade away.
Although we loved her dearly,
We could not make her stay.*

*A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us
He only takes the best.*

Mom, we will forever love and miss you.##imported-begin##Shelley Lombardo##imported-end##

“ *If Teardrops Were a Stairway...*

*If we had one lifetime wish
One dream that could come true
We'd pray to God so hard
For yesterday and you.*

*The things we feel so deeply
Are the hardest things to say.
But we, your country music family, love you
In a very special way.*

*They say memories are golden
Well maybe that is true.
But we never wanted memories,
We only wanted you*

*If teardrops were a stairway
And heartaches made a lane,
We'd walk a path to heaven
And bring you back again*

*A thousand times we've cried
If our love could have saved you
You never would have died*

*And so my friend of many years
And the songs that we shared
Will never be forgotten...you were music to our ears*

*I love and miss you "Dee"##imported-begin##LYNDA

“ My heartfelt sympathy goes out to you Randy, Ashley and the rest of your family. Gammy provided more than child care for my 3 grandchildren, Lindsay, Amanda, and Emily, with her loving, caring ways and wealth of knowledge. My family loved her dearly and we never had to worry when the girls were in her care. She treated them as if they were her own. She was an awesome person and a joy to be around. She will certainly be missed by me, my family, and everyone who knew her.###imported-begin##Joyce Peterson###imported-end##
