“ To the Parker Family: On behalf of the Fortson Family and Fortson's Economy Market, we would like to extend our deepest sympathy in the time of your loss. Mr. Parker had several 'nick names' for several of his customers. Mine was the 'bread man.' He reminds me of my son. If he finds a new joke he will certainly share it with you. He had a very outstanding public relation with the community. Even after he sold the station, many still called it Parker's. If I can assist in any way, please let me know.

“ It stirs my heart and brings back memories of several years ago when I met Juny , Mildred and many other family members. He was the sweetest, funniest and one of the smartest people I know. Never was he at a lost for words and oh the stories he could tell of his 'WORKING DAYS' . Days will be bright and happy now that he is with his beloved wife, daughter and family who went before. He was so loved by everyone and know he will be so missed ! Juny will have everyone an expert on tires and give the best deal possible. We loved you Juny! Rest in peace , Jeannette Baker

“ I remember many times when Brian and I would take fish we'd caught to the kittens at the tire store. He always had a big smile and was so welcoming. So sorry for your loss.

“ I remember Mr. Parker helping us with our cars at his gas station on Portsmouth Blvd outside the gate to Frederick Military Academy where we lived for many years. I would run into him over the years since then and he always exuded a sunny disposition. My mom had worked with his wife. He'll be missed.

“ Juny.was a good friend of Bill's and mine. He was also our back-door neighbor. If he had a joke to tell he made go sit with Mildred. He loved his Krispy Kreme donuts and Mildred's fudge. After our spouses passed, I kept an eye out for him and he did the same for me. He will be sorely missed by our older neighbors and me. God bless you Juny, you will finally be with your family.
