“ Lois was a very best friend. We shared many things, especially on our nightly walks after dinner each night. We shared thoughts, problems, and answers to each other. When they moved, we shared our love for bowling and going to Beazley to learn about jewelry making. It brought a new phase to our friendship. We made our jewelry and sold it at the bowling alley before Christmas to help the bowlers with their presents. We enjoyed everything we did together. Her passing has left another big hole in my heart. I will never forget her and miss her always. God bless you, Lois.

“ Wes, Kenny, Gail, I'm so sorry to hear of your Mom's passing. I have some great memories of our parents spending time together and all the laughter they had every time they played cards or just visiting each other. My thoughts and prayers are with your family.
