“ I learned of Lois's death when my husband and I went to the cemetery to place flowers on my mother's grave Ethel King. Her grave is just in front of Lois and Bud's. I have many fond memories of Lois and Bud as a child and the wonderful bridge club foursome that met each week. She was a great lady and meant such much to my Mom. “ Dear Mary Frances & Anne, I was sorry to hear of the loss of your mother last week. We were out of town and I'm just getting caught up on the newspapers. Our Mothers were best friends for about 35 years and I know they are playing bridge together again with Virginia Lee and Ginny. I hope both of you are doing well.
