“ *Mr. Goldman and Kim,*

I recently heard of Mrs. Goldman's passing. I have know you all for so many years and remember you Mom with a smile on her face and a kind word for everyone. Hold all these memories tight and they will help give you strength and courage to move through the grief process. Dad has been gone over 3 years and I see his traits more in myself and my kids, which helps lessen the pain. My thoughts and prayers are with you all.

Love,

“ Howard and Kim, we're so sorry to hear of the loss of your wife and mother. Ron and I worked with Howard years ago at White Cross. We met Mrs. Goldman through Howard and we really admired her. She was a very lovely lady. We know you will miss her, but her memory will live in your hearts forever.

Love to you both.

“ I was so sorry to hear about your loss and send deepest sympathy to all the family. My first memory of the friendship between our families - the Griffins and the Lilleys - was when my mother, Minnie Lilley, and Mrs. Griffin were in a local "womans club." I knew Lois through her brother Bill, who was my best friend throughout our school years. I would like to share a memory of Lois with you. As a young man, my greatest desire was to fly airplanes, and Lois was aware of this. One day, we happened to arrive at the Churchland post office at the same time to pick up our mail. I had received a letter from the Air Force, accepting me into their pilot training program. I was estatic and Lois shared my excitement with me. After a long career flying airplanes, this memory is still vivid to me.##imported-begin##R.C. Lilley, Jr.##imported-end##

“ Howard and Kim,

I was shocked to read the obit on-line today. I'm so sorry for your loss. My prayers are with you both.

I have never forgotten you guys. I was recently going through some old photos and have a couple of you guys making a snowman in your front yard. I remember Lois looking at the one Rick and I made and saying she expected better from an art teacher! Your snowman definitely turned out better than ours with her help.

Take care.
