Tribute Wall

“ Please accept our sincere condolences for the loss of your dad. He was a good neighbor and friend to us from the day we moved into the neighborhood over 25 years ago. In fact he was the kind of neighbor other people wish for and we were lucky enough to have.

He lived life to the fullest and seemed to enjoy everything he did. He was as enthusiastic about his hunting and fishing trips as he was about his church membership. He shared his garden freely and the tomatoes were great.

We remember your mom hating to go to the grocery store because she knew she'd probably find him on the roof when she came home. He was resourceful and found a way to do whatever needed to be done.

We'll miss him as we know you will.

Sincerely, Terry and Anita##imported-begin##Terry and Anita
